For pre-authorized entries, **three (3)** business days advance notice prior to the expected transfer date of the debit entry is required to implement the stop payment request. If the stop payment order is received within **three** business days of the expected transfer date, we will attempt to satisfy the request of the account holder, but will not be held liable if sufficient time was not provided for a pre-authorized transfer that occurs within that time frame. The account holder also understands that it is necessary to provide the correct information related to the transaction(s) sufficient to enable the identification of the account and transaction(s) in question.

For all non-recurring , single transaction ACH payments, the stop payment request must be provided in a timeframe that allows reasonable opportunity for us to honor the request prior to finalizing the ACH entry

Please indicate your specific choice for stopping payment from the Originating Company named above by checking the appropriate box:

- I wish to **stop all future** payments from this Originator indefinitely.
- I wish to stop the **next payment only**.
(Future entries from this Originator are to be paid, unless I provide you with an additional stop payment order.)

(Identify the payment dates, or months, of the specific payment from the Originator you wish stopped.)
