### CELEBRATE NATIONAL CREDIT UNION YOUTH MONTH WITH US!

Dreaming big doesn't necessarily mean starting with big actions. The first step is usually the hardest, but you take it, you can use momentum to keep you moving forward. This year's theme for National Credit Union Youth Month is "Save Small. Dream Big."

At your credit union. We want to let all our young members know that their dreams are attainable, no matter how big they are.

Landings youth savings accounts earn compound interest, so young members can deposit small amounts on a regular basis and watch their savings grow "like magic." The earlier they start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning how to save at a young age will set them up for a lifetime of financial well-being.

If you want to start empowering your kids to save for the future, National Credit Union Youth Month is a great opportunity! Join us this April as credit unions across the country encourage youth to start saving regularly.

### SPECIAL OFFERS FOR THE MONTH OF APRIL:

If your child makes a deposit into their Landings account anytime during the month of April, they will be entered to win a \$50 Dutch Bros. gift card!

No Landings account yet? Open a Grade A account in April and we'll make the \$5 opening deposit and give them a \$5 Dutch Bros. gift card!

Our Grade A accounts reward you for saving money AND for working hard in school. Not only will we make your initial \$5 deposit at account opening, we will pay you \$1 for each A you earn and give you a \$10 bonus if you earn straight A's all year long! All you have to do is bring your semester report card in to any of our branch locations.
