

Landings Credit Union is deeply committed to the health, safety, and well-being of our members, employees and those living and working within the communities we serve. It is for this reason that **effective immediately all branch services are limited to Drive-thru and ATM usage only**. By modifying our operations, we can reduce crowds and do our part in helping mitigate the spread of Coronavirus (COVID-19).

Landings CU prides itself on having convenient ways for members to access their accounts. We'd like to remind our members of all the ways you can access your accounts as well as other products or services that may benefit you:
