### **Landings CU's 2018 Water Drive is another HUGE SUCCESS, bringing in 13,000 bottles!**

**Tempe, AZ June 2018** – On June 13th Landings Credit Union ended their 3rd annual water drive with a staggering 13,000 bottles of water. This month-long drive brought in donations from members, staff and business partners and was given to non-profits of the East Valley.

If you've spent any time in Arizona in the summer, you know that it is blistering hot. This time of year puts an extra strain on non-profits to keep families and homeless hydrated. This water drive has helped to stock the pantries at Tempe Community Action Agency (TCAA) and AZCEND.

TCAA provides education, stability, and advocacy for low-income families, children, seniors, and the homeless. They help to secure food and shelter to those in need and operate a food pantry and interfaith homeless emergency lodging program among other programs. AZCEND is a Chandler-based organization formerly known as Chandler Christian Community Center established in 1966 by a consortium of Chandler churches with the common cause of alleviating poverty in their community. AZCEND has programs that include Community Action, Family Resource Center, Chandler and Gilbert Senior Centers, and an Interfaith Homeless Emergency Lodging Program as well as a Food Bank.

On June 13th, which is the National CUDE Day of Service, Landings staff moved about 541 cases of water from their branch lobbies to the locations selected by the non-profits. Over the past three years Landings CU has donated over 38,000 bottles of water.
